

REGIONAL ECONOMIC DEVELOPMENT (RED) GRANTS - ROUND 6

Goldfields-Esperance Regional Priorities

The GEDC has identified regional priorities as part of the strategic initiatives outlined in its Strategic Plan. These guide the GEDC's approach to the delivery of regional development outcomes, setting out key strategies to drive economic and social outcomes for the region.

You should demonstrate how your project aligns and supports the below regional strategic priorities:

<p>Resource & Industry Development</p>	<ul style="list-style-type: none"> • Incentivise industries to have their employees living in the regions. • Facilitate investment to attract people, jobs and skills. • Increase Aboriginal employment and business. • Advocate for policies that leverage industry's social license obligations and ensure practical fulfillment. • Maximise local content outcomes within non-renewable industries and sectors. • Support the diversification of non-renewable industries and sectors.
<p>Industry Diversification</p>	<ul style="list-style-type: none"> • Advocate for digital infrastructure to enhance regional and remote living and capture highly skills businesses and workforce • Support renewable energy projects in the region, leveraging benefits for the State and local communities. • Capture opportunities from the emerging 'low carbon' economy. • Facilitate streamlined land use planning and industrial land assembly. • Advocate for infrastructure that supports critical services and supply chains. • Identify and support energy and water solutions. • Promote entrepreneurship and innovation into regional sectors. • Grow regional visitation and foster creative industry development.
<p>Aboriginal Economic Development</p>	<ul style="list-style-type: none"> • Foster genuine co-design of and participation by Aboriginal people in business, economic and service delivery initiatives and opportunities. • Support the identification and realisation of economic opportunities from Native Title. • Support the activation of Aboriginal interests in land, culture and skills into the economy. • Promote Aboriginal procurement with support to build capacity and capability. • Support for Aboriginal people in business and industry.
<p>Regional Living</p>	<ul style="list-style-type: none"> • Advocate for service levels in regions to be comparable to the metropolitan area. • Improve liveability in regional Western Australia.
